RE: Designer Selection
Revere High School
MSBA ID: 201802480505

Dear Mayor Arrigo:

On Tuesday, January 19, 2021, the Massachusetts School Building Authority Designer Selection Panel ("DSP") reviewed and considered (8) applicants for the above-referenced project. The following individuals represented the City of Revere on the DSP:

- Brian M. Arrigo, Mayor, City of Revere
- Dr. Dianne Kelly, Superintendent of Schools, Revere Public Schools
- Stacey Bronsdon-Rizzo, Revere School Committee Member

In accordance with the provisions of Massachusetts General Laws, Chapter 7C, Sections 44 through 58, and the MSBA Designer Selection Procedures, the DSP voted to invite the following applicants to be interviewed before the DSP:

- Arrowstreet Inc.
- Drummey Rosane Anderson, Inc.
- Perkins Eastman/DPC
- Perkins+Will

The purpose of these interviews is for the DSP to further review each applicant's qualifications for this project. It is expected that, at the conclusion of the interviews, the DSP will rank these finalists in order of qualifications. Interviews are scheduled for Tuesday, February 2, 2021 beginning at 8:30 A.M. via video conference.

Please be advised that the ranking of potential designer candidates will only be done at the scheduled DSP meeting with the participation of the entire Panel and only after each application is publicly reviewed and discussed amongst all Panel members. The District DSP members are

welcome and encouraged to participate in such discussion as well as share the results of any local reviews. In addition, interviews of potential candidates, if applicable, will only take place at a scheduled public DSP meeting and only with the participation of the entire Panel.

Sincerely,

Karl Brown, AIA
Design Director
